Chronicle

(Chronicle – Wozu bist Du fähig?)

ENGL.

(D: Josh Trank; Cast: Dane DeHaan, Alex Russell, Michael B. Jordan) Visually presented as found footage, this entertaining, clever and thrilling sci-fi drama follows Andrew (DeHaan), his cousin Matt (Russell) and their fellow high school student Steve (Jordan), as they form a close bond after making an incredible discovery that leads to their developing uncanny powers beyond their understanding. After first using their abilities for mischief and personal gain, the three friends soon learn to control their abilities and use them to their advantage. As their abilities grow more and more powerful, however, their lives start to spin out of control, and their darker sides begin to take over. A fresh new take on the sci-fi genre, with a smart script, fast-paced direction, and engaging performances from its young, talented cast.

Battleship

ENGL.

(D: Peter Berg; Cast: Liam Neeson, Brooklyn Decker, Alexander Skarsgård Taylor Kitsch, Rihanna) Peter Berg («Hancock», «The Kingdom», «Very Bad Things») produces and directs this epic-scaled action-adventure that unfolds across the seas, in the skies and over land as our planet fights for survival against a superior force. Inspired by Hasbro's classic naval combat game, the film stars Taylor Kitsch («John Carter») as Lt. Alex Hopper, a Naval officer assigned to a U.S. battleship led by the glowering Admiral Shane (Neeson; «The Grey»), stationed as part of an international naval fleet in the Hawaiian Islands. When an armada of unknown origins suddenly appears in their waters, the naval fleet is forced to engage in a dynamic and intense battle in order to discover and thwart the intruders' destructive goals. Fun, popcorn madness with staggering effects and exhilarating action.

The Artist

DEUTSCH

(R: Michel Hazanavicius; D: Jean Dujardin, Bérénice Bejo, John Goodman, James Cromwell) Wir begleiten George Valentin (Dujardin) und Pappy Miller (Béjo) in die goldenen Jahre Hollywoods – als der Tonfilm den Stummfilm zu überrollen droht. «The Artist» erzählt die Geschichte zweier Schicksale: von Ehrgeiz und Stolz, von Ruhm und Angst, von Niedergang und Wahnsinn, von Leidenschaft und Liebe. Der Film ist eine aus ganzem Herzen empfundene Verbeugung vor den frühen Jahren des Kinos und der stolze Gewinner von 5 Oscars, unter anderem in den Kategorien Bester Film, Bester Hauptdarsteller und Beste Regie.

Iron Sky

ENGL.

(D: Timo Vuorensola; Cast: Julia Dietze, Götz Otto, Christopher Kirby) In the last moments of World War II, a secret Nazi space program evaded destruction by fleeing to the Dark Side of the Moon. During 70 years of utter secrecy, the big bad space Nazis construct a gigantic fortress with a massive armada of flying saucers. Now, when an American astronaut puts down his Lunar Lander a bit too close to the secret Nazi base, the Moon Führer (Kier) decides the glorious moment of retaking the Earth has arrived sooner than expected. Exhilarating, fresh and different, with standout production design and visual effects, this intentionally and wonderfully campy science fiction comedy has all the right elements of an instant cult classic.

My Week With Marilyn

ENGL.

(D: Simon Curtis; Cast: Michelle Williams, Eddie Redmayne, Kenneth Branagh, Judi Dench, Julia Ormond) In the early summer of 1956, 23 year-old Colin Clark (Redmayne) worked as a lowly assistant on the set of »The Prince and the Showgirl«, the film that famously united Sir Laurence Olivier (Branagh) and Marilyn Monroe (Williams), who was also on honeymoon with her new husband, playwright Arthur Miller (Scott). Nearly 40 years on, Clark's diary account »The Prince, the Showgirl and Me« was published, but one week was missing and this was published some years later as »My Week with Marilyn« – this is the story of that week. When Arthur Miller leaves England, the coast is clear for Clark to introduce Marilyn to some of the pleasures of British life; an idyllic week in which he escorted a Monroe desperate to get away from her retinue of Hollywood hangers – on and the pressures of work. A well-paced film, with award-quality directing and acting, especially by Williams as Monroe.

The Pirates! – Band of Misfits

ENGL.

(D: Peter Lord; Voices: Hugh Grant, Salma Hayek, Brendan Gleeson) In the latest entertaining 3D stop-motion clay animated adventure from Aardman Animations (»Shaun the Sheep«, »Wallace and Gromit«), Hugh Grant (»Notting Hill«; »Music and Lyrics«) stars in his first animated role as the luxuriantly bearded Pirate Captain – a boundlessly enthusiastic, if somewhat less-than-successful, terror of the High Seas. With a rag-tag crew of swashbuckling pirates at his side, and seemingly blind to the impossible odds stacked against him, the Captain has one dream: to beat his bitter rivals Black Bellamy and Cutlass Liz to the much coveted Pirate Of The Year Award. It's a quest that takes our heroes from the shores of exotic Blood Island to the foggy streets of Victorian London. Along the way they battle a diabolical queen and team up with a haplessly smitten young scientist, but never lose sight of what a pirate loves best: adventure!

The Dictator (Der Diktator)

ENGL.

(D: Larry Charles; Cast: Sacha Baron Cohen, Anna Faris, Ben Kingsley, Megan Fox, John C. Reilly) Sacha Baron Cohen (»The Ali G Show«) re-teams with director Larry Charles (»Borat«, »Brüno«) on their newest slice of satire with this hilarious comedy inspired by the bestselling novel »Zabibah and The King« by Saddam Hussein as well as by the controversial Libyan leader Muammar Gaddafi. Baron Cohen plays Admiral General Aladeen, a dictator from a fictional country called the Republic of Wadiya, who is secretly replaced by a lookalike and then flees to New York. The film follows the heroic story of the dictator who risked his life to ensure that democracy would never come to the country he so lovingly oppressed.

American Pie: Reunion (American Pie: Das Klassentreffen)

ENGL.

(D: J.Hurwitz, H.Schlossberg; Cast: Jason Biggs, Alyson Hannigan, Seann William Scott, Eugene Levy, Eddie K. Thomas) Crude comedy is back in vogue with this fourth and latest slice of fun from the immensely popular »American Pie« franchise, in which all the characters we met a

little more than a decade ago when they began a quest to lose their virginity, return home to East Great Falls, Michigan, for their high-school reunion. In one long-overdue weekend, they get back together to discover what has changed, who hasn't and that time and distance can't break the bonds of friendship. In the years that have passed, Jim and Michelle married, Kevin and Vicky said goodbye, Oz and Heather grew apart, but Finch still longs for Stifler's mom. Now these lifelong friends have come home as adults to reminisce about – and get inspired by – the hormonal teens who launched a comedy legend.

(D: Julie Ann Robinson; Cast: Katherine Heigl, Jason O'Mara, Sherri Shepherd) Katherine Heigl (»Knocked Up«, »27 Dresses«) brings Stephanie Plum – the popular heroine of Janet Evanovich's worldwide best-selling mystery series – to vibrant life in this entertaining action comedy. Her first assignment puts her on the trail of former cop and murder suspect Joe Morelli (O'Mara), a hot and irresistible guy from Stephanie's romantic past. Nabbing Morelli would be a hefty payday – but as Stephanie learns the ins and outs of becoming a recovery agent, she also realizes the case against Morelli isn't airtight. 50/50 (Freunde fürs (Über)Leben)

ENGL.

(D: Jonathan Levine; Cast: Joseph Gordon-Levitt, Seth Rogen, Anna Kendrick, Bryce Dallas Howard) Inspired by a true story, this beautifully played, precisely observed and surprisingly thoughtful comedy/drama is an original story about friendship, love, survival and finding humor in unlikely places. Joseph Gordon-Levitt («Inception») and Seth Rogen («Knocked Up») star as best friends whose lives are changed by a cancer diagnosis. The film tells the story of a guy's transformative and even sometimes funny journey to health – drawing its emotional core from the scriptwriter's own experience with cancer and reminding us that friendship and love are the greatest healers. With an emotionally rich script and a powerfully empathetic performance by Gordon-Levitt, »50/50« is a good-hearted film about a difficult topic, maneuvering between jokes and drama with surprising finesse.

21 Jump Street

ENGL.

(D: Phil Lord, Chris Miller; Cast: Jonah Hill, Channing Tatum, Ice Cube, Johnny Depp) A fun, irreverent, laugh-out-loud take on the beloved 1980s small-screen original, this clever, fast-paced action-comedy follows Schmidt (Hill; »Moneyball») and Jenko (Tatum; »Dear John»), who are more than ready to leave their adolescent problems behind. Joining the police force and the secret Jump Street unit, they use their youthful appearances to go undercover in a local high school. As they trade in their guns and badges for backpacks, Schmidt and Jenko risk their lives to investigate a violent and dangerous drug ring. But they find that high school is nothing like they left it just a few years earlier and neither expects that they will have to confront the terror and anxiety of being a teenager again... A smart, affectionate satire of '80s nostalgia and teen movie tropes, this breezy film offers rowdy mainstream comedy with a surprisingly satisfying bite.

Salmon Fishing in the Yemen

ENGL.

(D: Lasse Hallström; Cast: Ewan Mc Gregor, Emily Blunt, Kristin Scott Thomas) From the renowned Swedish director of »Chocolat« and »What's Eating Gilbert Grape« and the Oscar-winning screenwriter of »Slumdog Millionaire« comes an inspirational comedy about Britain's leading fisheries expert Fred Jones (McGregor), who is approached by a consultant (Blunt) to help realize a sheikh's (Waked) vision of bringing the sport of fly-fishing to the desert. Jones immediately thinks the project is both absurd and unachievable, but when the Prime Minister's overzealous press secretary (Scott Thomas) latches on to it as a 'good will' story, this unlikely team will put it all on the line and embark on an upstream journey of faith and fish to prove the impossible, possible. A very clever tale of modern eco-issues intertwined with old-style political intrigues and New Age romance.

The Iron Lady

ENGL. m. dt. Ut.

(D: Phyllinda Lloyd; Cast: Meryl Streep, Jim Broadbent, Richard E. Grant) This insightful and moving biopic is a surprising and intimate portrait of Margaret Thatcher (Streep), the first and only female Prime Minister of the United Kingdom. One of the 20th century's most famous and influential women, Thatcher came from nowhere to smash through barriers of gender and class to be heard in a male dominated world. The film follows her early years and life as she rises through the ranks of her party, and shows her toughness and inflexibility, her love for her husband, and yet her single-minded devotion to politics. Meryl Streep delivers an award-worthy, insightful, intimate, and incredibly accomplished cinematic portrait of Britain's longest-serving Prime Minister of the 20th century.

Dark Shadows

ENGL.

(D: Tim Burton; Cast: Johnny Depp, Michelle Pfeiffer, Eva Green, Helena Bonham Carter, Chloe Moretz) Dan Curtis' long-running 1990s vampiric soap opera saga is brought to the big screen with Burton mainstay Johnny Depp stepping into the iconic role of Barnabas Collins in this reboot of the popular story. The master of Collinwood Manor, Barnabas (Depp) is rich, powerful and an inveterate playboy...until he makes the grave mistake of breaking the heart of Angelique Bouchard (Green). A witch, in every sense of the word, Angelique dooms him to a fate worse than death: turning him into a vampire and then burying him alive. Two centuries later, Barnabas is inadvertently freed from his tomb and emerges into the very changed world of the 1970s, where the dysfunctional remnants of the Collins family harbor their own dark secrets. A consistently quirky and fun horror comedy with typical Burton style atmosphere and humor.

The Best Exotic Marigold Hotel

ENGL.

(Best Exotic Marigold Hotel)

(D: John Madden; Cast: Maggie Smith, Judi Dench, Bill Nighy, Tom Wilkinson, Dev Patel) Boasting a stellar ensemble cast, this charming comedy/drama follows a group of British retirees who decide to 'outsource' their retirement to less expensive and seemingly exotic India. Enticed by advertisements for the newly restored Marigold Hotel and bolstered with visions of a life of leisure, they arrive to find the palace a shell of its former self. Though the new environment is less luxurious than imagined, the Marigold Hotel nevertheless slowly begins to charm in unexpected ways, and its guests are forever transformed by their shared experiences, discovering that life and love can begin again when you let go of the past. Skillfully interweaving the stories of the British pensioners, John Madden (»Shakespeare in Love« and »The Debt«) creates a world in which hilarity is matched with the poignancy of getting old.
